March 2006 Update

Dear Partners,

We had a wonderful Christmas and New Year season. In January we both were busy with teaching classes at Spirit Life Bible College (SLBC or CABG) in Mongolia. Katrin taught “Biblical management” from January 2nd – 13th to the seniors and Peter “Pauline Epistles” from January 9th – 20th to the juniors.

From January 26th until February 7th the missionaries of Operation 500 Mongolia (see picture on the right) spent two great weeks in China, where we visited the cities of Beijing and Hong Kong. We were in Beijing during the Chinese New Year (and the Mongolian two-week “Sargansar” celebration time), where for the first time after twelve years the people were again allowed to use fireworks...and they had lots of fireworks! During our China-trip we’ve spent about 108 hours on the train!

Since February 20th (and still until March 17th) we both are teaching “World religions & cults” to the seniors at Spirit Life Bible College in Mongolia. Peter taught about Hinduism & Buddhism, and he will continue with Jehovah’s Witnesses. Katrin taught on Judaism, Islam, Animism (Pantheism), Shamanism, and she will continue with 7th-Day Adventists & Mormonism.

We are glad to have you as our partner and appreciate your faithfulness in giving and prayer. At the same time we also would like to agree with you in prayer for your needs according to Matthew 18:19. We are looking forward to hearing from you too, so please don’t hesitate to send in your prayer requests, comments, questions, and feedbacks.
