## Changing Nations

Sending the gospel where it is small or non-existent!

Dear Friends and Partners,

We have arrived well here in Mongolia on June 29<sup>th</sup> and have spent a good summer in Ulaanbaatar. Until now, we've spent some of our time in basic Mongolian language study and in discovering the surrounding local area and its people.

We are part of Spirit Life Bible College (SLBC), which trains right now about hundred students! The school is a two-year program and it started on September 1st with a Freedom Seminar.

A lot of our students were gloriously delivered and set free from demonic bondage. Jesus gave us the command to cast out devils - this is part of the Great Commission!

### Mark 16:17-18

"And these signs shall follow them that believe; **In my name shall they cast out devils**; they shall speak with new tongues; they shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover."

During this month we'll start to check the students' prayer journals and Bible readings, which is an opportunity to encourage their daily prayer life and personal Bible reading. We'll be teaching our first class, which is called "How to study your Bible 1" from October 10<sup>th</sup> till October 21<sup>st</sup>, 2005. We'll also be overseeing the administrative office of SLBC, Mongolia.

We are grateful for any kind of support (prayer, financial contributions) and would be delighted to also hearing from you. If you have any prayer request, please don't hesitate to contact us. We'll be praying for you and believe together with you for your miracle and breakthrough.
